Fuel economy and CO2 results for the BMW 218d M Sport Gran Coupé:
 Mpg (l/100km) (combined): 54.3 (5.2) – 60.1 (4.7). CO2 emissions: 135 – 122g/km.

For plug-in hybrid vehicles these figures were obtained using a combination of battery power and fuel, for battery electric vehicles these figures were obtained after the battery had been fully charged. Plug-in hybrid and battery electric vehicles require mains electricity for charging. Figures shown are for comparability purposes. Only compare fuel consumption, CO2 and electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO2 figures shown above have been determined according to the WLTP test. WLTP has been used as the applicable CO2 figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO2 figures were previously based on the NEDC equivalent.

PRESIDENT'S MESSAGE

We offer a warm welcome to all from Biggar RFC, and their President James Orr, to Bridgehaugh for the second fixture of the Tennent's League National 1 League fixture, as season 2021/2022 unfolds.

Biggar had a very good win last week against Dundee Rugby winning 47-3, whereas the Wolves lost 34-7 to Gala where they were provided with a "warm welcome" to both league rugby and the borders as many of our young squad experienced playing there for the first time. It's heartening to see that 80% of the players under the age of twenty-one have come through our rugby pathway and I am sure both the players and coaches will have learned a lot from last week's game. Biggar, as we all accept looks to be the favorites to gain promotion this season so I am sure they will be looking to get an early away win on the card.

Onto club business, I would like to congratulate Sean MacDonald, who has been appointed our Club Captain for this season. As a respected county player I am sure he will have the support of all his teammates and we wish him the best for the season.

Unfortunately, we have had a couple of issues that have affected preparations for rugby during this week, COVID being one of them. However, this has thankfully abated and we are pleased the fixture is going ahead today. We have also suffered the loss of our in-house catering guru Chef Martin Luti who suffered a heart attack, but we are pleased to hear he is on the mend and will be back in the next week or so. Our best wishes go to Martin and we look forward to his return soon.

I would like to offer a special word of thanks to all our sponsors, particularly our main sponsor, Wolfcraig. Wolfcraig is a new distillery that is being built at Craigforth in Stirling next year. The Wolfcraig whiskies will be original creations from two heavyweights in the Scottish whisky industry and will use the rich natural resources of the Stirling area.

Wolfcraig is keen to become an active and positive part of the local community and will be taking steps to support its development. The first of which is sponsoring local men's and women's sports teams, which has brought the team here today.

Our thanks also go to shirt sponsors Douglas Park Stirling, Johnston and Carmichael, and Belhaven.

Remember if you would like to purchase any Stirling County rugby clothing our shop is now online where you can access the shop by going onto the new club website.

The next fixtures at Bridgehaugh are the Tennent's League National 1 League fixture, under lights, against Ayr, next Friday evening, 17th September with a 7.30 pm kick-off, followed by the FOSROC Super6 fixture against Boroughmuir Bears on Saturday 18th September at 3.00 pm.

To all our visitors, members, and supporters of the club please enjoy the rugby, enjoy your rugby this afternoon, and keep on coming back to Bridgehaugh.
